

Frequently Asked Questions

Thermo Complete – Herbalife’s revolutionary new product.

Thermo Complete offers the next generation of nutritional support for shape-management programmes, combining a scientifically advanced blend of herbal ingredients that work synergistically for maximum results.

Does this product contain caffeine?

Yes. Thermo Complete contains approximately 84mg of caffeine per tablet, roughly equivalent to one cup of coffee or black tea.

Does this product have any special notices on the label?

Yes, there is a special notice for pregnant or lactating women. This product is not recommended for use by pregnant or lactating women. People with cardiovascular disorders should consult with their physicians before using. Pregnant or lactating women and people with high blood pressure or cardiovascular disorders should consult a physician before using this product.

Can I take this product in conjunction with Thermojetics Herbal Concentrate?

Absolutely. However, those who are caffeine-sensitive should be aware that both products contain naturally occurring caffeine. Thermojetics Herbal Concentrate contains approximately the same amount of caffeine per suggested serving as does one tablet of Thermo Complete.

How do I take the product?

Take 1 to 2 tablets twice daily: mid-morning and mid-afternoon.

What is the maximum number of tablets that I can take daily?

Thermo Complete should be used as recommended on the product label. The maximum usage would be 4 tablets daily.
